Subject: CDX- FIFRAFY21 Work Plan

Importance: High

Hi Susan/Claudia... I know you are now finished with the SIFREG meeting this week and I'm sure you are glad that's over. I wanted to get back to you about the CDX system.

I finished keying in the updates and WORK PLAN in and updated it with comments that you and Claudia made notes on in September. The only thing I did not address were Sections on **WPS-02.02.02 & 02.02.03** from your notes Susan. I still need to discuss these with Doug and Brad before committing to the WPS and Ag worker protection Webpage addition, as well as find out what information IDA can give you from our clinics. 2021 may be a completely different year and we may be doing a good portion on-line so we will continue to dialog about that.

Ola, I was able to put in the IDPH WORK PLAN statements for you. They are now set up for you to key in your IDPH comments and commitments. Let me know if you have any questions or need help.

Seth... I wanted to let you know I have been emailed from Matt with the CDX system and he is still trying to find out why the pages do not load, lock up and do not save data in the CDX system. I sent him all my error messages on Monday and have not heard anything back.

That's all I have about the FY21 for now. If I need to do anything else, please let me know. Happy Friday everyone and have a nice weekend! 😊
